CHEWTON GLEN AWARDED 'BEST FOR ROMANCE '

Its official, Chewton Glen is really the 'Best Hotel for Romance' in the UK and Ireland, according to the judges of the Condé Nast Johansens 37th Annual Awards for Excellence 2020, and who are we to disagree!

At the glittering annual awards dinner, held on the 4th November at London's Mayfair Hotel in London, Condé Nast Johansens announced the winners of their "Awards for Excellence" across the UK and Ireland; Europe and the Mediterranean; Central and South America; Canada, USA, Mexico and the Caribbean; Asia, Africa, Indian Ocean and Middle East.

The awards are based on responses from online voting, guest feedback and local expert reports drawn from hotels featured on the Condé Nast Johansens website and its most recent guides, which are the premier reference book for independent travellers throughout the world.

Condé Nast Johansens remains the most comprehensive illustrated reference for independently owned hotels, which are inspected annually. With dedicated and highly trained local experts, almost 10 times as many properties have been assessed as appear online or, in the guides, in order to narrow the final selection down to the best range of accommodation for independent travellers.

With its readership of 6.4 million the guides are distributed worldwide and produced by the publishers of Vogue, GQ, Tatler, Condé Nast Traveller and Vanity Fair.

Collecting the award of 'Best for Romance' was Andrew Cook, General Manager of Chewton Glen who said: "I am thrilled to accept this award on behalf of every team member at Chewton Glen, I cannot thank you all enough for your continued hard work, commitment and support and as we continue to push the boundaries and set the standard for Country House Hotels, this is an excellent time to receive this exceptional award".

Chewton Glen also recently received the accolade of 'AA Hotel of the Year' in this years' AA Hospitality Awards, which highlighted the excellence of hotels, restaurants and their teams across the UK. Andrew Stembridge, Managing Director of Chewton Glen and Executive Director of Iconic Luxury Hotels, a collection of luxury hotels that also includes: Cliveden House in Berkshire, The Lygon Arms in the Cotswolds; and 11 Cadogan Gardens in the heart of Chelsea said: "We are delighted to be named in the Condé Nast Johansens awards, this title is undoubtedly testament to the energy, passion and creativity of the entire team who work so hard, not only to ensure that our guests always want to return, but are also focused on continually improving and innovating".
