NEW FOREST

# BAR MENU

## **THE MARRYAT BAR & LOUNGE**

At our luxurious Marryat Bar, we proudly offer a unique collection of spirits, a selection of carefully chosen drinks, and an exciting array of sophisticated cocktails sourced from iconic places around the world, including celebrated local producers.

The former British Royal Navy office, Captain Frederick Marryat, is undoubtedly noted as an early pioneer of the sea story, but also widely famous for his children's novel 'The Children of The New Forest', written during his several stays at Chewton Glen.

Captain Marryat took a great liking to the bourbon-based mint juleps cocktail. Here's our twist on his original recipe:

### **THE HONEY POT**

Cognac Tesseron XO Tradition  
Gin Piston Oak-Aged  
Honey from the Chewton Glen bees,  
cinnamon syrup, lemon juice.

*Flavourful and rich with forest floor aromas, a hint of sweet honey with a delicate touch of spiciness and a hit of citrus notes.*

Pull up a chair, make yourself comfortable,  
and savour the the Captain's favourite tipple.

## TESSERON COGNAC XO & BEYOND

---

*Gently open the door of the Tesseron home in Châteauneuf-sur-Charente and discover the family secret, an incredibly rare collection of the finest cognacs. This treasure trove dates back to the 19th century when Abel Tesseron acquired the property to house his passion for collecting rare and priceless cognacs. He then realized his ultimate dream of creating his own cognacs. Today, Alfred Tesseron and his children, Justine and Noé, together with his nieces Mélanie and Philippine, continue the work initiated by their ancestors.*
