BAR MENU

“If you meet, you drink; if you part, you drink; if you make acquaintance, you drink; if you close a bargain, you drink”

Capt. Marryat, A Diary in America

The former British Royal Navy officer Captain Frederick Marryat is undoubtedly noted as an early pioneer of the sea story, but also widely famous for his children’s novel *The Children of the New Forest*, written during his several stays at Chewton Glen.

At our luxurious Marryat Bar, we proudly list a unique collection of spirits, a selection of drinks and sophisticated cocktails showing great attention to local producers and to the most premium ‘liquids’ from iconic places in the world.

If you require allergen information, please ask a member of our team who will be delighted to assist you. For health and safety purposes, we cannot guarantee that any food products do not contain traces of nuts as they are not prepared in a nut-free environment.

Most of our spirit measures are double (50 ml), wine glasses of wine are sold in 175ml measures. A smaller measure will served upon request. It is not possible to guarantee continuity of all vintages and shippers in this list, and in some cases a suitable alternative may be served. It is against the law to sell or supply alcohol to, or on behalf of, a person under the age of 18 years.

All prices include VAT and a discretionary 12.5% service charge will be added to your bill.

SIGNATURE COCKTAILS

Elsa's Joy 17

Sapling Vodka, Beesou, Bitter Liqueur, Orange & Grapefruit, Honey

Elsa is an orphaned lion cub adopted by Joy and George Adamson, and a sculpture of her now stands near the front door of Chewton Glen, as part of the Born Free Forever exhibition. The collection of lion sculptures prowling around the grounds were created by the world-renowned creative artists Gillie and Marc (Love The Last). The sculptures are a celebration of Elsa the lioness, Born Free's original inspiration and a continual symbol of hope for wildlife. The ongoing exhibition has inspired us to create something special for you.

Sapling Vodka is produced in the UK and for every bottle sold, they plant a tree, and only local ingredients are used, to ensure a minimal carbon footprint. Beesou is an all-natural bitter honey aperitif, blended from ethically sourced British honey, and the honey used in Elsa's Joy is produced here on the Chewton Glen estate, from our own beehives.

SCOTCH SINGLE MALT SPEYSIDE

In Speyside we create our unparalleled single malts in a home worthy of the spirit it embodies.

The Story of Double Cask: To create Double Cask, we bring new oak from America across thousands of miles to Spain, where casks are crafted and sherry seasoned before travelling to the distillery on Speyside to mature. These whiskies are then harmoniously united with those aged in the very best European sherry seasoned oak casks.

Telling the story of a journey that brings together different worlds, this union reveals an unmatched investment in time and extraordinary commitment to mastery for which The Macallan has been known since 1824. Mastery of this union results in a perfect partnership of Oloroso sherry seasoned American and European oak casks that creates a range with an extraordinary fusion of vanilla and subtle spice.
